**Do NOT transport or use them for bait!!!
Report new sightings to 877-STOP-ANS.**

What You Can Do:

- Only harvest bait from uninfested waters.
- NEVER release ANY fish in new waters.
- Dispose of ALL unwanted bait in the trash.
- Learn to identify bighead and silver carp.
- Take a picture, note the location, and report new sightings to 877-STOP-ANS.
- Know the rules!

WARNING: It is illegal to possess live bighead or silver carp in most states.
